

Tantalising, Luxurious Holiday Apartments In The Heart Of Port Douglas

Description:

Weâ€™re Brenda and Owen Campbell, owners of FNQ Apartments since 2010. While we originally planned to only stay in Far North Queensland for a holiday, we were so overcome by the majesty of the natural environment and serenity of the lifestyle that we ended up making Cairns our home. We absolutely love what this part of the world offers â€” a relaxed pace of life, some of the best beaches in the country and all the conveniences of a major city mixed with the tranquillity of an island escape â€” and we know you will too.

To help everyone experience the very best this region has to offer, weâ€™ve worked closely with resort owners and hoteliers up and down the coast from Cairns to Palm Cove, Port Douglas, Trinity Beach and out to the tropical islands off our coast. Our goal is to bring you the cosiest accommodation at the best prices, all in one place, making it easy to plan your dream tropical getaway. Whether youâ€™re looking for an adventure holiday with hiking in amongst the emerald leaves of the Daintree and scuba diving in the clear waters of the Great Barrier Reef, or want something more sedate involving the fine seafood and golden sands of our coast, we
